

## **Friends of the South Orange Public Library**

### **Board Meeting Summary Minutes**

**Tuesday May 3, 2022 online meeting, 5pm**

**Jewelry Sale Report:** The Friends held a successful Mother's Day jewelry sale April 30 and May 1 in the Library. The location was a factor in the sale's success; future jewelry sales may also take place in the Library.

**Membership:** Membership renewal letters will be mailed this week to 2020 and 2021 members and donors. Membership renewal requests will go out every year in May in future.

**Publicity / Village-Wide Book Marks:** A Friends member created and paid for 300 printed copies of a bookmark publicizing the Library and the Friends, and distributed them to local business to put on their counters as handouts. They went quickly; the plan is to do this again in the fall.

**Revised Library Request for Friends Funding:** The Library Director presented a revised request to fund the Children's Summer Reading Program, including books, prizes, and programs, as well as teen books and adult reference books and nonfiction books.
